Attention: City of Bandon Planning Commission  
Subject: Conditional Use Permit Application #22-047, Fred Mau, Owner  
Public Hearing Date: June 23, 2022

June 5, 2022

Planning Commission;

We recently received a letter indicating Fred Mau is requesting a conditional use permit for his property as a vacation rental. We have read all of the materials he has submitted and spoke with him about his plans. We fully support his request and do not see any reason not to grant approval.

Respectfully,

Jean & Honani Polequaptewa
